

# Our Lady of Grace Preschool Newsletter

December 14, 2018

Our mission is to create a caring environment in which we can educate the whole child in the context of the Catholic faith.

Our vision is to prepare this community of early learners for higher education by challenging their developing minds and nurturing their spirit, while guiding them to lead with faith and excellence.

## Year of Service

Encouraging students to reach out to others through community service has always been a critical part of Catholic education. This year, however, helping others is getting even more attention as the Archdiocese of Baltimore has declared the 2018-19 school year a "Year of Service."

Our next service project, **Pennies for Patients** will be held January 7-25th. We will be sending cardboard boxes home for the collection of change to go to the Leukemia & Lymphoma Society.

Our preschool students sometimes have accidents, spills, etc. Please make sure your child has a seasonally appropriate change of clothes at all times.

We would like to have a supply of clothes available for times when there is not a spare. If you have clothes your child has outgrown that you would be willing to donate, kindly drop them off at your convenience.

**Pope Francis (December 10, 2017) wrote: "The Savior whom we await is able to transform our life with his grace, with the power of the Holy Spirit, with the power of love."**
